

# THE REPUBLICAN ROADMAP

**This counteroffer delivers on much of what President Biden provided in his feedback to us during our Oval Office meeting while still focusing on core infrastructure investments.** As updated, the Republican Roadmap includes a \$91 billion increase over baseline spending for roads and bridges and a \$48 billion increase over baseline spending for water infrastructure during that period. It also includes a one-time increase of \$25 billion for airports and \$65 billion for broadband, respectively; a \$22 billion increase over baseline spending for passenger and freight rail; and an additional \$6 billion for water storage in the West. **As evidenced by our work on bipartisan drinking water and surface transportation infrastructure bills, we can work in a bipartisan fashion on these priorities and deliver real results.**
